**CATARH LEADS
TO CONSUMPTION**
Catarrh is as much a blood dis-
ease as scrofula or rheumatism. It
may be relieved, but it cannot be
removed by simply local treatment.
It breaks down the general health,
weakens the lung tissues, and leads
to consumption.
Hood's Sarsaparilla is so suc-
cessful in the treatment of catarrh
that it is known as the best remedy
for this disease. It purifies the
blood. Ask your druggist for it.

MAYOR T. C. MURPHY

The tournament of the National
Roque association started off with a
rush on Tuesday. The players enter-
ed into the competition with zest and
enthusiasm, and in all three divisions
the balls were rolling constantly in
the tournament games that were in
progress during the day on the eight
courts. Then in the evening, while
Tabbs band gave a splendid com-
plementary concert, a record-breaking
attendance for an opening night saw
some pretty exhibition games by a
number of experts. Chief of these
was the brilliant play between Cham-
pion Harold Clark of Springfield, and
ex-Champion C. E. Cox, who came
down from Malden, Mass. on Tues-
day. The champion has been in Nor-
wich since Friday and he showed the
beneficial results of his extra days of
practice on the courts in the clear-
ly placed shots which eventually
brought his balls around by a good
margin ahead of his opponent.

Huot Defends Second Division.
Interest Tuesday evening centered
on the middle court, where George
Huot, the new second division play-
er, from Chicopee Falls, Mass., suc-
cessfully defended the second Van
Winkle medal against Woodruff T.
Sullivan, the challenger of this city.
The two young players fought two
stubborn games, and in both of them
Huot had the advantage. In the first
game, in the first game, Huot had
a rover and only one arch to make
with his second ball when Sullivan
got the balls and carried them
along with fine skill and judgment.
But he was not able to overcome the
lead. The second game lasted until
close to midnight and Huot took the
also, but Sullivan still has further
opportunity to even the series.

First Van Winkle Play Tonight.
The first Van Winkle play begins
this evening, with Louise Stockwell
of Norwich challenging F. Edward Clark
of Springfield, who has held it these
last three years. Eddie Clark will
get down from Springfield today to
get into the tournament and make a
try for championship honors once
more. Last year the struggle at the
end was between him and his brother,
Stockwell is his best season with the
mallet. He was on the courts Tuesday
night playing an exhibition game with
Gerald Brasili, the champion of this
city. He was defeated, but he is still
in pretty good shape. Brasili is still
in short trousers but he has speed and
control and with the ability he dis-
plays his first season on the courts,
the older players are predicting a
bright future for him if he stays in the
game.

**Captain Whaley played a friendly
evening game with C. M. Thompson
of Willimantic and to the visitors who
lined the courts had plenty of opportu-
nity to see the game and get a line
on some of the best players.**

Sales Received Particular Applause.
The programme that Director John
M. Swahn had picked out for Tabbs
band met with general approval. The
ensemble numbers were good and the
soloists were especially applauded. One
of these was a fine cornet rendering
of A Perfect Day, by Herbert Felton,
and the others were Arthur
Campbell's solo, Spark of Love of
Good Bye Girls, from Chin-
Chin.

Swahn's orchestra will play tonight,
and Thursday, and the band again on
Friday.

Champion Scored a Shut-Out.
The tournament games during Tues-
day were run off without stalling fea-
ture, the players found the courts
so fast that it took them a little time
to get accustomed to the conditions
and adjust their shots accordingly.
Harold Clark took a couple of games
in hand Friday evening and took his
opening game from W. L. Robinson
of Mansfield.

Mayor Murphy Made First Arch.
The ceremony of opening the tourna-
ment was conducted auspiciously by
President L. C. Williamson of Wash-
ington, who felicitously introduced
Mayor Murphy and handed him Cham-
pion Harold Clark's mallet. The
mayor made a drive and gained the
first arch in two shots. He gave the
roque players a cordial welcome to
Norwich.

**Magnesia Neutralizes
Dangerous Stomach Acids**

Practically all that pain and dis-
comfort which we recognize by the
names of indigestion and dyspepsia
are usually indicative of nothing more
than an excessively acid condition of
the stomach, which retards digestion,
causes the food to ferment, and gives
rise to flatulence, heartburn, shufled
face, wind, and many other well-
known symptoms of stomach trouble.
The stomach treats quite healthily,
but it is weakened, irritated and in-
flamed by harmful acid, and until
steps are taken to neutralize this acid,
and so prevent the food fermenting,
the stomach will surely become weak-
er and weaker. But, fortunately, there
is no reason why any sufferer should
delay treatment until he can be be-
come a chronic dyspeptic for it has
been proved that the harmful acid
can be instantly neutralized and food
fermentation prevented by simply
taking a teaspoonful of pure Epsom's
magnesia in a little water immedi-
ately after meals. It should be remem-
bered, however, that Epsom's magne-
sia is a preparation totally different
from the acetates, citrates and sul-
phates of magnesia; these are not to
be recommended in cases of digestive
or stomach trouble, and sufferers
should, therefore, always ask the
druggist distinctly for Epsom's
magnesia, which is the form used in
hospitals and recommended by phy-
sicians everywhere.

distance telephones, etc., in every
department. The hotel more at-
tractive and give the guests even bet-
ter convenience than ever before.

**Nephew of Mrs. Bernard Meehan
Dies in Battle—Kitchen Express-
Personal Regret—Beach and Other
Outings and Pleasure Trips.**

Mrs. Bernard Meehan of Elm avenue
received news from Scotland last week
of the death of her nephew, George
Webster, on the battlefield in Flan-
ders, June 16. The first intimation of
his death was received by his wife
from the officer commanding and was
a great blow to her. Her husband
was one of the finest officers who
have risen from the ranks.

The account of his heroic death and
his honorable career in the British
army in which he enlisted at the age
of 17, his active service in several en-
gagements for two years in the Boer
war, where he was possessor of the
Queen's medal with five bars, his sub-
sequent promotions, his fine example,
his being beloved by his comrades, the
whole striking tribute fills nearly a
column of the paper sent from Scot-
land to his aunt, Mrs. Meehan.
